

An Invitation to Join....

Are you concerned about crime in your area?

Do you want to contribute and help create a Community Spirit and Safer Neighbourhood?

Then Park / Home Watch is just for you. The idea of Park / Home Watch is simple. The more neighbours that look out for each other, communicate and work together, the safer they feel and it is less likely that crime and anti-social behaviour will occur.

Home Watch Schemes link in with their local Neighbourhood Policing team and other agencies who can come together to improve your area. Run by residents, you can engage by different methods. A regular meeting, face to face, telephone or create an E-Watch system.

There are lots of other benefits in joining so why not find out more.

Good News. You are receiving this invitation as one of your neighbours is already taking the lead on setting up a scheme in the area. If you are interested in joining or in learning more about how you can help please complete the details below and return.

Friends of King George V Playing Fields

Friends of King George V Playing Fields (FoKGVPF) is a group of volunteers who work in the park to make it a better place for all.

Over the last two years we have installed gym equipment, a keep fit path, bee hives, 60 more trees, flowers and gardens, organised dog shows and run our Georgie Porgie's Café. The café is open in the afternoons when the weather is fine and the green flag is flying.

If you would like to help in the park or café, come along to our monthly meetings on the first Wednesday in the month at 7.30. p.m. in Georgie Porgie's or contact Alan Fish on [07931765120](tel:07931765120), or email alan.fish.161te@gmail.com or go to www.fokgvpf.co.uk
